

# LUISA FRIZZANTE

## Merlot Rosato

### CHARACTERISTICS

A crisp, summery rosé with an alluring ruby hue and refreshing floral aromas with an unusual hint of cherry. It is contained in a special eye-catching white glass bottle to show off its exceptional pearly colour to the full. Its vibrant colour and fruity nose give it an original and highly distinctive character. This rosé is enviably versatile with food, allowing extremely balanced and interesting pairings. Indeed, when a white wine is not enough for a food and a red is simply too much, the answer is often a rosé.

### PROFILE CONTENTS

grape varieties	Merlot
appellation	Indicazione Geografica Tipica (IGT)
year of planting	2002 and 2004
soil	gravelly clay/sand and silt
vine spacing	1.00 x 2.80 m
pruning	syloz on upward-trained vertical-trellised vines
yield/hectare	14 t
alcohol content	11.50 vol.%
residual sugar	19 g/l
acidity	5.50 g/l
ph	3.30
pressure	2.5 bar

### VINIFICATION

After harvesting and the addition of yeasts, the Merlot grapes are drawn off (after lifting the cap of grape solids the clear must is extracted from the entire mass to achieve a greater concentration of skins in the remaining wine); consequently only part of the red colour remains in the extracted must, ensuring the desired hue of the final product. Fermentation takes place at a controlled temperature of 14°C and is followed by racking, light clarification to stabilise the proteins and subsequent filtration. Bottling is performed after second fermentation in steel pressure tanks (autoclaves), where the internal pressure increases for a month to around 2.5 atm until fermentation is complete. The wine is then clarified before final filtration.

### BOTTLE TECHNICAL INFO

cl. 75 | natural cork

### ONLINE DATA SHEET

### BOTTLE EAN CODE

8 032535 560515

### BOX ITF CODE

18032535560512
